BOOK SYNOPSIS

Its simple: If children dont understand what they read, they will never embrace reading. And that limits what they can learn while in school. This fact frightens parents, worries teachers, and ultimately hurts children. 7 Keys to Comprehension is the result of cutting-edge research. It gives parents and teachers—those who arent already using this valuable program—practical, thoughtful advice about the seven simple thinking strategies that proficient readers use: • Connecting reading to their background knowledge • Creating sensory images • Asking questions • Drawing inferences • Determining whats important • Synthesizing ideas • Solving problems Easily understood, easily applied, and proven successful, this essential educational tool helps parents and teachers to turn reading into a fun and rewarding adventure. From the Trade Paperback edition.
