BOOK SYNOPSIS

Told with the storytelling power and emotional fidelity of Wally Lamb, this is a searing drama of a modern American family on the brink of dissolution, one that explores adoption, gay marriage, and love lost and found. For years, Matthew Greene and Daniel Rosen have enjoyed a quiet domestic life together in Northampton, Massachusetts. Opposites in many ways, they have grown together and made their relationship work. But when they learn that Daniel's twin brother and sister-in-law have been killed in a bombing in Jerusalem, their lives are suddenly, utterly transformed. In dealing with their families and the need to make a decision about who will raise the deceased couple's two children, both Matthew and Daniel are confronted with challenges that strike at the very heart of their relationship. What is Matthew's place in an extended family that does not completely accept him or the commitment he and Daniel have made? How do Daniel's questions about his identity as a Jewish man affect his life as a gay American? Tensions only intensify when they learn that the deceased parents wanted Matthew and Daniel to adopt the children—six-year-old Gal, and baby Noam. The impact this instant new family has on Matthew, Daniel, and their relationship is subtle and heartbreaking, yet not without glimmers of hope. They must learn to reinvent and redefine their bond in profound, sometimes painful ways. What kind of parents can these two men really be? How does a family become strong enough to stay together and endure? And are there limits to honesty or commitment—or love?

ALL I LOVE AND KNOW A NOVEL - Are you looking for Ebook All I Love And Know A Novel? You will be glad to know that right now All I Love And Know A Novel is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. All I Love And Know A Novel may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with All I Love And Know A Novel and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with All I Love And Know A Novel. To get started finding All I Love And Know A Novel, you are right to find our website which has a comprehensive collection of manuals listed.
