BOOK SYNOPSIS

Nicholas Sparks introduced you to Noah Calhoun. Jamie McGuire brought you Travis Maddox. Now meet Jack Eversea, and prepare to be swept away... When Hollywood movie star Jack Eversea stumbled into sleepy Butler Cove, he had no idea he would encounter the only real thing that's ever happened to him - only to let her slip through his fingers... Small-town girl Keri Ann Butlers life changed the night she met Jack Eversea. But suddenly he was gone, and she had to pick up the pieces and start again. Now Jack is back, with one thing on his mind. Winning back the girl who stole his heart. Whatever it takes. But is it too late? Passionate. Devastating. Explosive. Unforgettable. FOREVER, JACK, will take your breath away. Find out where it all began in Natasha Boyds award-winning first novel, EVERSEA, and don't miss the powerful, epic love story DEEP BLUE ETERNITY.
