BOOK SYNOPSIS

As well as being one of the major literary figures of the twentieth century and the recipient of the 1923 Nobel Prize for Literature, William Butler Yeats (1865-1939) is the greatest lyric poet that Ireland has produced. His early work includes the beguiling *When You are Old*, *The Cloths of Heaven* and *The Lake Isle of Innisfree* but, unusually for a poet, Yeats's later works, including *Parnell's Funeral*, surpass even those of his youth. All are present in this volume, which reproduces the 1933 edition of W. B. Yeats's *Collected Poems* and also contains an illuminating introduction by author and academic Dr Robert Mighall. Designed to appeal to the booklover, the Macmillan Collectors Library is a series of beautiful gift editions of much loved classic titles. Macmillan Collectors Library are books to love and treasure.
