BOOK SYNOPSIS

NEW YORK TIMES BESTSELLER • In a small town on the verge of big change, a young woman unearths deep secrets about her family and unexpected truths about herself. Filled with insights that are the hallmark of Anna Quindlen's bestsellers, *Miller's Valley* is an emotionally powerful story about a family you will never forget. For generations the Millers have lived in Miller's Valley. Mimi Miller tells about her life with intimacy and honesty. As Mimi eavesdrops on her parents and quietly observes the people around her, she discovers more and more about the toxicity of family secrets, the dangers of gossip, the flaws of marriage, the inequalities of friendship and the risks of passion, loyalty, and love. Home, as Mimi begins to realize, can be "a place where it's just as easy to feel lost as it is to feel content." *Miller's Valley* is a masterly study of family, memory, loss, and, ultimately, discovery, of finding true identity and a new vision of home. As Mimi says, "No one ever leaves the town where they grew up, even if they go." *Miller's Valley* reminds us that the place where you grew up can disappear, and the people in it too, but all will live on in your heart forever. Praise for *Miller's Valley* "Overwhelmingly moving . . . In this novel, where so much is about what vanishes, there is also a deep beating heart, of what also stays."—The New York Times Book Review "Stunning . . . The matriarchal theme [is] at the heart of *Miller's Valley*. Miriam pushes her smart daughter to consider college, and other women—a teacher, a doctor, a benefactor—will raise Mimi up past the raging waters that swirl in her heart."—The Washington Post "Economical and yet elegant . . . [Anna Quindlen's] storytelling and descriptive powers make *Miller's Valley* compelling. . . . *Miller's Valley* has a geography and fate all its own but its residents, realities, disappointments, joys and cycle of life feel familiar, in the best way possible."—Pittsburgh Post-Gazette "A family story with humor, surprise, sorrow and mystery . . . Quindlen has created distinctive characters, none of whom seems like anyone you've met before in fiction."—The Columbus Dispatch "A breathtakingly moving look at a family."—USA Today "[Anna] Quindlen's provocative novel will have you flipping through the pages of your own family history and memories even as you can't stop reading about the Millers. . . . a coming-of-age story that reminds us that the past continues to wash over us even as we move away from the places and events that formed us."—Chicago Tribune "Picking up a novel by Anna Quindlen means more than just meeting a new family—it's like moving in and pretending they are yours. It's a rare gift for a writer, and Quindlen does it to near perfection."—St. Louis Post-Dispatch "Quindlen's novel of a childhood examined by someone who literally can't go home again is an incredibly engaging read. . . . *Miller's Valley* takes familiar themes and manages to make them fresh and new."—Bust From the Hardcover edition.

MILLERS VALLEY A NOVEL - Are you looking for Ebook Millers Valley A Novel? You will be glad to know that right now Millers Valley A Novel is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Millers Valley A Novel may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Millers Valley A Novel and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Millers Valley A Novel. To get started finding Millers Valley A Novel, you are right to find our website which has a comprehensive collection of manuals listed.
