BOOK SYNOPSIS

Through the years, our understanding of Jesus has been shaped by different cultural influences, and many Christians have forgotten that Jesus was a Jewish man living in a Jewish land, observing Jewish customs, and investing his life into Jewish men and women. Trading the popular, but inaccurate Western perspective of the Bible for the context in which Jesus actually ministered in 2000 years ago, author Robby Gallaty reveals the fascinating Hebraic culture, customs, and nuances many Christians have never experienced or learned about. By uncovering the teaching of the first and second century rabbis and Christian theologians, and highlighting little-known Jewish idioms and traditions, Gallaty takes Christians on a biblical journey to rediscover a forgotten Jesus from a biblical perspective, deepening your relationship with God.
