An Exploration of the Old and New Testament for Young Readers Unlike Any You've Ever Seen Before Minecraft has swept the world by storm. More than one hundred million games have been sold. Parents of children who play Minecraft will love this fun, educational collection of Bible stories. With the world of Minecraft as a backdrop using vivid, full-color screenshots, children will experience the Bible as never before. Authors Garrett Romines and Christopher Miko are teachers who have used Minecraft to create imaginative worlds in their classrooms. Now, they have created Bible stories with virtual blocks to produce vibrant, 3-D worlds filled with adventure and astonishing imagination. With fascinating scripture and narrative simplified to teach young readers, this is the perfect gift. The images created are not only of magnificent, vast terrains often found in Minecraft but also feature artfully re-created Bible characters, such as Adam and Eve, and superb designs of the pyramids and Noah's ark. A range of biblical characters such as Jesus and Pharaoh are offered in fun, colorful scenes kids will treasure. Engaging stories including the Tower of Babel and the story of Abram and Lot, to name a few, are here. With over 470 images, young readers will explore the story of creation, the journey of Abraham, David and Goliath, Moses's great journey, the birth of Jesus, the Last Supper, and many more stories!
